

48th Meeting of the LHC Collimation Working Group, December 3, 2004

Present: Oliver Aberle, Ralph Assmann (chairman), Alessandro Bertarelli, Enrico Chiaveri, Bernd Dehning, Barbara Holzer, Roberto Losito, Manfred Mayer, Matteo Magistris, Steve Myers, Stefano Redaelli (scientific secretary), Guillaume Robert-Demolaize, Mario Santana-Leitner, Ruediger Schmidt.

1 Discussion on Ralph Assmann's presentations at next MAC

This meeting was devoted to the preparation of the collimation related presentations at the next LHC Machine Advisory Committee (MAC), to be held from December 8th to December 10th. Ralph Assmann was asked to give two presentations on the status of the collimation project. In this collimation working group meeting, Ralph gave rehearsal presentations of its two contributions to MAC. The final versions of its slides is available on the collimation web page:
